Procedures to Set the ID's into a Dual key system

Call 1-800-869-1800 or go online at wittekgolf.com to order!

1. Insert the Set CID key first. the display will show " CID changed"

2. Then insert the Set UID key. The display will show " UID changed"

3. Your system is now configured to accept your Debit keys with that ID just programmed into the unit.
