To Our Valued Customers and Friends:

As we write this letter entering Wittek’s 75th year of business, we must first stop and thank each and every one of you for your trust in us throughout the years. Wittek has had unbelievable success in its 75 years, and we owe it all to each and every one of our valued customers and close friends. We are truly lucky to come to work each and every day, surrounded by an amazing team working around the clock to gain your trust with each and every order.

The past six years of our ownership have been nothing short of an incredible experience. When we acquired Wittek, we set out on a mission to take the highest quality course and range supplies to the next level. Throughout the years, we have made several acquisitions in order to serve you with better products, customer service and the best overall ordering experience in the industry. With $5 million in inventory spread across three locations in the United States, everything you need for the season can be ordered both quickly and easily.

From pickers, washers, and dispensers, to recycled plastic and custom signage for your course and clubhouse, we make it all right here in the U.S.A. Our location in Georgia has the most skilled seamstresses in the industry working around the clock decorating the highest quality golf course flags, as well as custom apparel.

Just as you continue to invest in your property and people, we invest in ours. We’re constantly making improvements in order to make more of the products you need, quicker and better than ever before. Again, we truly thank you for your continued business over the years and are looking forward to another exciting year in the world of golf!

Sincerely,
Gene & Tim Pruban
Wittek Golf

QUATTRO MAT

The Quattro Mat is the most realistic simulation to a fairway on the market. Featuring an impact dampening system, which consists of highly elastic polyurethane fibers acting to absorb the impact of the club. The knitted nylon turf is bonded to an interface layer which protects the mat from tearing. Eight tee holes extend mat life. Bottom side of holes are countersunk to accept base of rubber tee. Range ball tray not included.

  - Weight: 39 lbs.
  - Thickness: 1¼"
  - #78180 - $399.99 ea.

MEGA MAT

The closest you can get to real turf. This mat gives you the feel of real grass without the bounce of other mats. Wood tees can be used on this mat to further simulate real grass. Now with two tee holes on each side to extend the life of your mat! Range ball tray not included.

- MEGA MAT
  - Size: 59" x 59"
  - Weight: 41 lbs.
  - Thickness: 1½"
  - #78197 - $399.99 ea.

## NEON RANGE SUPPLIES

### LIGHT ACTIVATED LED BALLS
To activate you shine a strong light source, such as the light from your smartphone camera about 1/2 inch from the printed circle on the ball. Upon sensing the strong light, the computer will automatically turn on the LEDs. Once the LEDs are activated they will continue to emit light until another strong light is sensed. There is no timer inside our LED golf ball, once activated it will stay continuously lit until turned off. We do not recommend using our golf balls with newer thin faced drivers. Please use with irons only.

### IMPACT ACTIVATED RANGE BALLS
Experience our 30 second LED range golf ball, perfect for events that require the golf ball to turn on for only a short period of time. Upon impact the range ball will turn on for 30 seconds and then turn off. Great for use with our LED range targets, hole in one contests, and other driving range activities. Internally powered using 2 CR2032 lithium batteries for up to 30-40 hours of use.

- **#500175B** – Blue Ball – Price - $5.99 ea.

### NEON PRACTICE GREEN MARKER
Over 30 LED lights illuminate each flag stick and provide 7 different lighting options: steady on, color changing, blinking, in red, blue or green. 16 hour battery life is provided using the 3 AAA batteries that are included and easily replaceable. Please note: The flag stick is not waterproof and should be removed after use.

### 6' INFLATABLE TOWER TARGET

Why choose us?

- Made in America – With American products.
- Each order is truly custom and treated that way – Each flag is hand cut and hand sewn, based on how YOU order.
- Quicker production times than the competition and a 3 day or less “in transit” to 38 of the 50 United States.
- Multiple locations and multiple product lines with over 50 employees to ensure the same high-quality customer service that you’ve come to expect.

What makes our flags flag different?

See for yourself:

**1/8" Stitch MFS**
- Sews tube permanently into flag material
- MFS constructed of darker materials prevents the material around the tube from discoloring

**Zig Zag Stitch (Zig Zag Stitches)**
- Added strength & security on every flag

**Bar Tack (3/8")**
- Reinforcement of the tube’s stitches that attaches it to the flag
- Extends the life of a flag

**1/2" Double Needle Stitches (Dash Patterned Stitches)**
- Resists stretching
- Ensures the flag stitching won’t unravel as easy as others do

**1/2" Border Tape**
- "Frames" the flag
- Strengthens the flag edges and extends the life of the flag
Mounting Options: Multiple options so you can have the right flag, for the right time!

- **Plastic Tube**: The same tube you’ve always used just got better! Now featuring a hexagon shape for added strength, these tubes resist the warping and cracking caused by long term use.
- **Soft Tube**: Used in place of plastic tubes, they are great for reducing noise on the green and even better for tournaments where the flags from the course may be used as give a ways or trophies following the round! Soft tubed flags are also easily framed.
- **3-Hole Grommet**: Below, you’ll see a traditional 3-hole grommet strip in comparison to a covered grommet strip. What’s the difference? The covered grommet strip features extra fabric that wraps around the exterior of the traditional grommet strip to add a slightly more “modern” look to the timeless classic. This allows for material flag saver to be added! Grommet flags make for excellent trophy or souvenir flags as well!
- **Tubeless**: The perfect flag for pro shop, trophy or award flags!

Material Flag Saver (MFS): Our MFS not only adds a unique feature to your flags, but it extends the life of a flag by blocking & hiding the dirt that can accumulate from months of use on the course!

- **Nylon Material Flag Saver**: Available in all our stock fabrics and colors.
  - Simply add FPTM-Color to your order! Colors available: Augusta (AUG), Black (BLK), Custom (CUSTOM), Maroon (MRN), Navy (Navy), Red (RED).
- **Reflective Material Flag Saver**: Our reflective material flag saver works great with range finders and is a great alternative to the traditional reflectors added into or on top of the flagstick! Made from the same industrial material used on safety vests and jackets.
  - Simply add FPRTM to your order!
- **Vinyl Material Flag Saver**: Specially formulated to resist fading from sun exposure and resist bacteria growth!
  - Simply add FPVTM-Color to your order! Colors available: Black (BLK), Green (GRN), Clear (CLR), Red (RED), Royal (RYL), White (WHT), Yellow (YLW).

Border Options: Three options to make your course’s flags fly above the rest!

- **Standard Hem**: Constructed with double needle and zig zag stitching along with extra tack strips to ensure a longer life for your flags!
  - Our standard hem comes standard on all of our flags, unless you tell us differently!
- **Merrow Border**: Constructed of special, tightly-sewn thread adding durability to your flag while also adding a contrasting feature to compliment your logo
  - Simply add FPRTM to your order!
- **Border Tape**: Available in all of our standard fabrics and colors for a more attractive appearance and a reinforced border with the same double needle, zig zag and tack strip stitching!
  - Simply add FP-BT to add border tape to a regulation flag order, FP-BTPG to add border tape to a putting green flag order!

YOUR FLAGS – YOUR WAY

We offer a wide variety of 400 denier fabric choices! Your course deserves the highest quality and longest lasting equipment! 400 denier fabric can be used for plain flags, embroidery, screen print and even the border tape, MFS, checkers and custom patterns! If you think you need 200 denier for your course, please give us a call and we can help! For dye sublimated flags, other materials are needed.

EMBROIDERY

Beautiful, yet durable. Combine our 400 denier material, reinforced flag tube and your custom embroidered logo to create a flag that both you and your players can appreciate, round after round. We were the first to add the beauty and texture of thread to a golf flag, and have been doing it for thirty seven years. If you don’t see the flag you would like, don’t hesitate to give us a call as we can make any flag for any occasion, any time!

SCREEN PRINT

Beautiful yet competitively priced. Our screen print process transfers your graphics onto our durable nylon fabric, creating a flag that is an exact match to your specs and sure to impress! Screen printed flags are a great way to ensure your flag will be flying on days when the wind isn’t blowing. If you don’t see the flag you would like, don’t hesitate to give us a call as we can make any flag for any occasion, any time!
DYE SUBLIMATION

The perfect tournament flag has never been easier to order! Great for when you need a lot of decoration in only a small amount of space, or when each hole’s flag has a different design! While these flags do not carry the same warranty as our other flags do, we have several customers that have flown them for just as long as a standard flag without any issues! Available with spot sublimation or full bleed sublimation! Great for flags with four or more colors. Use item number #FPDSUB to order all sizes of dye sublimated flags!

TROPHY FLAGS

Great for autographing for a number of occasions! Our trophy flags are made of 600 denier polyester featuring the traditional 3 hole grommet strip, including a permanent autographing pen and a clear tubular case for protection and easy handling. Smaller logos on trophy flags (7”x7” or 20K stitches) provide for ample autographing space. Please contact a sales representative for more information on how we can make your event even more memorable!

CLUBHOUSE FLAGS

Does your clubhouse need a unique, one of a kind flag to make a lasting impression? Look no further! Each flag is made to order in any size, using your choice of embroidery, screen print, applique or a combination depending on your course’s needs. Please contact a sales representative for more information on how we can make your clubhouse stand out from the rest!

100% CUSTOM FLAGS

These custom pattern flags are sold plain, screen printed or embroidered and in a variety of sizes! Give us a call and let us make a quote for you.
The perfect tournament flag has never been easier to order! Great for when you need a lot of decoration in only a small amount of space, or for when each hole’s flag has a different design. While these flags do not carry the same warranty as our other flags do, we have several customers that have flown them for just as long as a standard flag without any issues.

If you custom flag has 4 or more colors in it we recommend Dye Sublimation!

COMPRESSED AIR
SPIKE CLEANER

This console offers convenient spike cleaning while keeping your facility neat and tidy. Made from durable recycled plastic lumber, it is used with compressed air to clean the bottom of the golfers’ shoes. Clippings are contained by the high wrap around walls and a 90 degree wand allows easy cleaning without uncomfortable bending by the golfer. Contained clippings fall through a bottom grate into a removable tray for easy disposal. Each unit comes with Deluxe 20” Long Air Blow Gun. Air compressor sold separately.

TERMS & CONDITIONS

Satisfaction
Your 100% satisfaction is our goal. Please notify us promptly should any product not meet your expectations.

Pricing
Prices are subject to change. On occasion, circumstances that are out of our control could result in price changes. Wittek Golf will always try to maintain and honor published pricing. All prices are F.O.B. shipping point.

Damage or Discrepancy
It is the customer’s responsibility to notify carrier of any damage or discrepancy immediately. Once a bill of lading is signed the customer bares all liability for accuracy and quantity of all products. Any concealed damage must be reported to carrier immediately and to Wittek Golf within 5 business days.

Warranty
Items manufactured by Wittek Golf carry a one year warranty. Warranties on non-Wittek products vary by manufacturer. Associates are not authorized to give additional warranties without written permission.

Returns
No product may be returned without an approved Return Goods Authorization Number (RGA). RGA request must be made within 30 days of purchase. All returns must be unused and resellable. Credit cannot be issued for damaged or obsolete products. In most cases, Custom or Special Order products are not returnable. All returns are subject to a 15% restocking fee. Return freight charges may apply.

Credit Terms
Customers may receive commercial credit terms with approved credit applications. Full payment is expected on due dates. A service charge of 1.5% per month may be imposed on delinquent balances. Other forms of accepted payment include Visa, MasterCard, Amex, Discover, cashier’s check, money order or wire transfer.
